

Accessibility Statement for All Aboard Learning Ltd

This accessibility statement applies to the following websites owned and operated by All Aboard Learning Ltd:

- <https://allaboardlearning.com>
- <https://dm-ed.com>
- <https://trainertextlibrary.com>
- <https://helpingchildrentoread.com>

Our Commitment to Accessibility

All Aboard Learning Ltd is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards to make our websites easy to use and understand.

We believe that every person has the right to access information and services online, and we are actively working to make our websites accessible to the widest possible audience, regardless of ability or technology.

Conformance Status

The **Web Content Accessibility Guidelines (WCAG)** defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA.

Our goal is for our websites to be conformant with **WCAG 2.2 Level AA**.

We are actively working to achieve this standard. We understand that this is an ongoing process and some areas of our sites may not yet be fully accessible. As we continue to improve, we will update this statement to reflect our progress.

Feedback and Contact Information

We welcome your feedback on the accessibility of our websites. If you encounter any barriers or have difficulty accessing any part of our sites, please let us know.

- **Email:** support@allaboardlearning.com
- **Phone:** +44 1865 632965

To help us understand and resolve the issue, please try to include the following information in your message:

- The web address (URL) of the page where you encountered the problem.
- A brief description of the problem you faced.
- The device and web browser you are using (e.g., iPhone with Safari, Windows PC with Chrome).

We aim to acknowledge all feedback within 5 business days.

Technical Specifications

Accessibility of our websites relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- CSS
- JavaScript

These technologies are relied upon for conformance with the accessibility standards used.

Measures to Support Accessibility

All Aboard Learning Ltd is taking the following measures to ensure the accessibility of our websites:

- **Continuous Improvement:** We are conducting regular accessibility audits of our sites using a combination of automated tools and manual testing.
 - **Design:** We are integrating accessibility principles into our design and content creation processes.
 - **Training:** We are providing accessibility training for our staff involved in content creation and development.
 - **Key Features:** We are working to ensure key accessibility features are implemented, such as keyboard-only navigation, appropriate text alternatives for images, and sufficient colour contrast.
-

Statement Approval

This accessibility statement was approved by the management of All Aboard Learning Ltd.
